## RESORTS

True To Their Name, All Resorts Are On Some Of The Caribbean's Best Beaches

Beaches Sandy Bay Meeting Room

Pirates Island Waterpark At Beaches Negril

With Up To 5 Gourmet Restaurants Per Resort, There Are Plenty of Choices

We've taken over 20 years of expertise perfecting Sandals, the world's favorite Luxury Included® Caribbean resorts and created the very best ultra all-inclusive vacation for everyone. Adults and kids, couples or singles, family and friends: Beaches has an unforgettable vacation just for you.

Beaches proudly presents a collection of fine beachfront resorts on the island of Jamaica, one of the most beautiful islands in the Caribbean, in the picturesque resort towns of Negril and Ocho Rios.

And Beaches is perfect for meetings and incentives because you can bring the kids! Leave your little ones in the watchful care of loving and attentive childcare professionals in our nursery. We'll keep them entertained with exciting and educational kids programs and activities like shell collecting, face painting and story time, as well as movies, ice cream and pajama parties and even kids-only restaurants. Teens can take watersports lessons, beat the high score in the video games room and make new friends their own age in the karaoke disco.

Get down to business in our expansive and comfortable meeting rooms, fully equipped with every audio-visual amenity. Or host a private reception in scenic outdoor locations accommodating as many as 300. When work calls, Beaches has the answer.

Best of all, budgeting's a breeze because at Beaches it's all included: mouthwatering meals and snacks, premium accommodations, land and watersports equipment, even tipping. Just world-class service, luxurious amenities and the best Caribbean vacation you'll ever experience.

Bring your group to Beaches...where meetings and conventions are a done deal.
